Year of Glass

April 2-3; Columbus, OH

Deco '22 Speaker Bios

Paul Bolduc, *President & CEO Koenig & Bauer Kammann (US)*

Paul Bolduc has served as President & CEO of Koenig & Bauer Kammann (US) since April of 2008. He is responsible for establishing and managing sales, service, and operational functions for the company in the United States and Canada. Koenig & Bauer Kammann (US) is the wholly owned subsidiary of Koenig & Bauer Kammann GmbH headquartered in Löhne, Germany and is the leading supplier of Container Decorating equipment for precision-based print and converting applications.

Paul has over 35 years' experience in the printing industry. He previously served as Director of Global Product Management and Director of Global Service at Goss International. Paul also held key management positions in engineering, sales and customer service at Heidelberg Web systems.

Paul received his bachelor's degree in Electrical Engineering from the University of Maine and an MBA from Southern New Hampshire University. Paul has also served on several industry boards and is a patent holder.

Anthony Carignano, *Technical Director, ACTEGA North American Technologies*

Tony is technical director of Signite of Marketing for ACTEGA North America Technologies. He has more than 20 years of global experience developing and growing new markets and applications within the specialty chemicals industry relating to printing and coating applications. Tony has spoken and written on a variety of topics ranging from chemicals of concern to bio-renewable building block chemistries for direct and indirect consumer product inks and coatings. He is an active advisory board member of the Technical Association of Graphic Arts (TAGA) and the U.S. Southeastern Chapter of the Institute of Packaging Professionals (IoPP).

Prior to joining ACTEGA, Tony held global business development and strategic marketing roles with ebeam Technologies and ALLEX USA, Inc. Tony obtained his MBA from Loyola University Maryland and completed his undergraduate studies at Saint Francis University of Pennsylvania.

John R. Hann, *E.W. Bowman*

John joined Tampa Florida based Anchor Glass Container in 1988 as a second-generation Lehr Specialist and Project Manager. His responsibilities included all facets of glass annealing and decorating for the entire corporation.

In 1997 John left Florida to return to his home State of Pennsylvania accepting a position with E.W. Bowman, Inc. as a Sales Representative and Glass Process

Specialist. In 2010 John became the Director of Domestic and International Sales and Service at Bowman. After the acquisition of E.W. Bowman by Henry F. Teichmann in May of 2017 John became the Technical Director of the newly formed E.W. Bowman Division of Henry F. Teichmann.

H.F. Teichmann/E.W. Bowman continues to supply annealing and decorating lehrs as well as service and components to glass factories in 54 countries around the world.

Jessica Hennessy, *Sr. Advisor, Strategic Partnerships and Reputation, Ohio Health*

As a top leader in the non-profit sector, Jessica leads OhioHealth's strategic partnerships with groups like Columbus Blue Jackets (NHL), Columbus Crew (MLS), Columbus Zoo and Aquarium and OhioHealth Capital City Half Marathon. Through her partnership work, Jessica has had the opportunity to create OhioHealth's first ever title race (OhioHealth Capital City Half Marathon) and build community programs like HOOFit (Columbus Zoo). In addition to these projects, Jessica's pleased to have partnered with Columbus Blue Jackets to partner name the Blue Jackets' ice arena, "OhioHealth Chiller Ice Rinks." Adding to her portfolio, Jessica's latest partner name project is "OhioHealth Performance Center," with Columbus Crew, located at historic Crew stadium site.

Jessica has extensive experience in public relations, crisis management, social media, product ownership, external brand engagement, strategic partnership, and community engagement. During the COVID-19 pandemic Jessica added leadership of strategy, culture, content, staff, and standard work for a 7.5k member private social media group of healthcare providers and work from home associates. The group's purpose is to connect members to critical COVID-19 updates relevant to their work and provide a place for associates to engage with and support one another.

Jessica has a bachelor's in Marketing and a master's in Marketing and Communication from Franklin University.

Bob Keller, *Marabu North America*

Bob has been involved in the printing industry for more than 20 years. A graduate of the United States Naval Academy, he started his career as a nuclear submarine officer serving on the USS Simon Bolivar (SSBN-635) and the USS Sam Rayburn (MTS-635) over the course of 8 years.

He began his civilian career with Sawgrass Technologies, spending 11 years in various technical and operational roles, departing in 2009 as a Divisional Vice President. He left the industry for two years to take on a new challenge leading a startup in Albuquerque, NM focused on high performance thermal insulation. He returned to the industry and the

Deco '22 Speaker Bios Continued

location he now considers home to lead Marabu North America, LP in Charleston, SC – a wholly owned subsidiary of Marabu GmbH, a 160+ year-old, family owned, German manufacturer of industrial inks and coatings.

Bob has been the General Manager for the last 8 years. In addition to his bachelor's degree, Bob holds a Master's in Nuclear Engineering, and an MBA.

Thomas Molfese, *North American Sales Manager, Fermac*

As North American Sales Manager with Fermac, Tom is responsible for business development and coordinating support for existing and potential screen print and digital inkjet customers in the region. Based out of Buffalo, NY, Tom has more than 15 years of experience in product decorating. Prior to joining Fermac, he worked for ITW's Industrial Decorating Solutions Group focusing on decorating equipment and consumables for pad print, hot stamp and heat transfer applications on both glass and plastics.

Michael Perrelli, *Marketing Director, Innovative Digital Systems*

Michael serves as Marketing Director at CPS Resources, Innovative Digital Systems and DigitalPrintSupplies.com. Focusing on all things product decoration over the past decade, Michael continues to be a valuable contributor of content for industry publications. His expertise includes UV printers, flame treatment technology, or any of your decoration challenges in further detail.

Lisa Ryan, *President, Grategy*

An experienced keynote speaker, Lisa brings 13 years of manufacturing experience, including seven in the welding industry, to her audiences. Lisa specializes in employee engagement and retention and is an experienced culture consultant.

Lisa's resume includes hundreds of presentations to a broad cross-section of companies and organizations including Bausch & Lomb, FedEx, KPMG, the American Banking Association, the International Sign Association, and more. Lisa is Past-President of the Ohio Chapter of the National Speakers Association, and has served on numerous boards, including the Association for Equipment Manufacturing Professionals and the American Welding Society. Visit lisaryanspeaks.com for more information.

Walt Sanders, *Van Fleet Associates*

Walt has served as Washington Liaison for SGCDpro since 2009. He is Vice President, Law and Government Affairs, for Van Fleet Associates in Washington, DC., where he provides legal, strategic, and regulatory counseling for large and small corporations and non-profit organizations before the U.S. Congress, Department of Defense, U.S. Consumer Product Safety Commission, U.S. Food and Drug Administration, U.S. Environmental Protection Agency,

and other government agencies. He has been instrumental in representing the Society's interests on Capitol Hill and before the FDA and CPSC. Walt led a Society delegation representing members' interests during a major product recall in 2010 in which the agency, in an unprecedented communication, admitted the recalled product was safe for consumers.

Sean Weir, *Applications Engineer, Glass Coatings and Concepts*

Sean Weir is an Applications Engineer at Glass Coatings and Concepts in Monroe, Ohio. He joined G.C.C. in August of 2021 bringing over 25 years of glass and ceramic decorating experience. A proven global business leader, Sean has extensive international travel experience, working with customers and partners of diverse backgrounds and cultures.

Sean previously worked for ESL Electroscience, and Ferro Corporation where he held positions in sales management, sales, product management, research and development, and technical service. Sean has also worked in the electronics and paints and coatings industries. Sean is experienced in marketing and selling specialty and highly technical products into the aerospace, automotive, construction, medical, military, semiconductor, glass and ceramics industries.

Sean holds a B.S. in Chemistry from the University of Pittsburgh and holds 4 patents for laser marking technology. He is a long-standing member of the SGCDPro, where he currently serves as Secretary of the Board.

Ed Weiner, *Maryland China*

Ed has been President of Maryland China since 1982 and served on the SGCDpro board from 2002-2010, serving as President during 2009-10. He is chairman of the Edward J. Friedman Golf Classic. Ed graduated from University of Maryland in 1973 and from the U of M dental school in 1977. He practiced dentistry from 1977-1985, serving in the U.S. Navy Dental Corps from 1977-1979.

Dr. Todd Whittaker, *Franklin University*

Dr. Whittaker serves as Chair of the Computing, Sciences and Mathematics, and Cybersecurity Departments at Franklin University in Columbus. With more than 25 years of experience in computer related fields, he previously held the position of Associate Professor at Devry University, and software engineer at Battelle Memorial Institute. He also served as UNIX systems administrator at the University of Akron.

SGCDpro Directory Updates

Stop by the SGCDpro booth to update your SGCDpro company and individual listings for the 2022-23 directory to be published in June. SGCDpro staff will show you how to update your listings online.

While you're there, reserve your booth for Deco '23 in Pittsburgh, PA.

Call for Speakers for Deco '23
